We also thank the local churches, newspapers and businesses for their assistance in publicizing the Tinley Park-Park District programs.

THANK YOU VOLUNTEERS: Volunteers help make our community a better place for all of us to live, work and play. Volunteers coach youth athletes, provide tutoring, help in the office, and serve food or drink. In whatever capacity, volunteers bring a smile and a special magic touch to the Park District. Thank you for being a Park District volunteer. You are appreciated beyond measure.

OUT OF DISTRICT BROCHURE MAILINGS: The Tinley Park-Park District extends its sincere apology to any of its neighbors for any inconvenience because of the United States Postal Bulk Mailing regulations. Some individuals receive Park District brochures even though they reside outside the Tinley Park-Park District boundaries. Such individuals shall, nevertheless, be assessed out-of-district fees.

AGE APPROPRIATENESS: Recreation programs are designed for specific age groups as listed in the program description on or before the date the course begins, unless otherwise specified. Birth certificates may be requested.

BEHAVIOR POLICY: The Tinley Park-Park District has a behavior policy relative to inappropriate behavior. Inappropriate behavior is defined as that which disrupts a recreation program or general recreation and requires a supervisor to call for a stop of the behavior due to its effect on other participants or the supervisor's ability to conduct a program. Such behavior may call for immediate and/or permanent dismissal of the participant. Facility rules and usage guidelines also apply.

PHOTOS AND VIDEOS: Participants or their parents (if participant is under 18), permit the taking of photos, audio and video tapes during Park District activities for publication and use as the Park District deems necessary.

PICNIC PERMITS: Picnic permits may be obtained at the Bettenhausen Recreation Center. Permits are required to secure a park pavilion for your outing or event.

Community Theater presents: THE ODD COUPLE

by Neil Simon

This classic comedy opens as a group of the guys assemble for cards in the apartment of divorced Oscar Madison. And if the mess is any indication, it's no wonder that his wife left him. Late to arrive is Felix Unger, who has just been separated from his wife. Fastidious, depressed, and tense, Felix seems suicidal. But Oscar becomes the one with murder on his mind when the clean freak and the slob decide to room together with hilarious results as *The Odd Couple* is born.

If you're new to the stage, let us help you develop your talents into the skills you'll need for the best of classic and contemporary theater. There is no program fee for the actors.

Group Lessons Red Cross Certified

Swim lessons save lives! Our American Red Cross, six-level Learn-to-Swim program is unlike anything offered by other learn to swim programs. The program is designed for children 6 years of age and over. Students progress through the levels at their own pace, mastering the skills in one level before advancing to the next. Each level of our Learn-to-Swim class includes training in basic water safety and helping others in an emergency, in addition to stroke development. During the first day of class abilities will be assessed and children will be placed in an appropriate group. Through instruction your child will focus on swim progressions and techniques that are essential for water safety.

Please note: In the event of inclement weather classes may be cancelled. A make-up class will be held the following Sunday at the regularly scheduled time. There are no make-ups for illness or vacations.

Trio of Homes, LaSalle County IL

Our tour begins at the *Hegeler Carus Mansion* built in 1876 by the famous architect W.W. Boyington—architect of Chicago's famous Water Tower and the Illinois State Capitol. Much of the home remains unaltered since it was finished including 7 levels, 57 rooms and 16,000 sq. ft. of interior space. Next stop is Lock 16 Café & Visitors Center in LaSalle for a buffet lunch followed by our second home tour at the *Weber House & Garden*; a storybook Tudor-style home with lush English gardens. Ted Weber, a radio/TV personality for over 50 years, does an excellent job in his storytelling about many famous 20th Century's personalities. Our final tour is at the *Reddick Mansion* that was built in 1855 and was home to the first Lincoln/Douglas debate! This 22 room Italianate mansion was possibly the most expensive and ornate private home built in Illinois before the Civil War.
