The Tinley Park-Park District has sustained an increased number of vandalism incidents this summer, in particular at Vogt Woods Park located at 6527 W. 171st Street. Multiple areas within the park have been tagged with vulgar, inappropriate graffiti and buildings, playground equipment, tables and benches have been damaged or broken. This vandalism has occurred almost daily over the past few weeks. We have been working with the Tinley Park Police Department on the situation, but we are asking for your help, too.

The District takes great pride in providing outdoor amenities for residents and visitors, and our staff works hard to maintain the premises. We ask and encourage residents that if they see something unusual happening in the parks system, to please notify the Tinley Park-Park District at 708-342-4200 or the Tinley Park Police Department by calling non-emergency dispatch at 708-532-9111.

Thank you for helping us keep Tinley's parks safe, clean and enjoyable for everyone!

These events are not sponsored by School Districts 140 or 146, any of Districts' schools, or groups officially associated with the Districts.

The Fun Starts Here!

Drawing Fun with Young Rembrandts

Young Rembrandts acclaimed drawing method teaches children to break down complex objects into basic foundational shapes. As they learn to deconstruct and reconstruct images, the experience, repetition and variety of engaging subject matter bring them to increased levels of mastery in drawing. Students will explore the elements of art such as shading, balance, line, volume, depth and color while completing one new drawing each week. Our Cartooning subjects will include movement, cartoon sounds, expressions and moods, cartooning familiar objects and fun new characters. Each session offers all new lessons. All supplies are included in the fee.
