

Due to the significant increase in COVID-19 cases throughout suburban Cook County, Tinley Park-Park District is implementing a **MANDATORY FACE COVERING POLICY** at the Tony Bettenhausen Recreation Center starting Wednesday November 18, 2020.

**At this time, Tinley Fitness has NO CHANGES.** Staff will continue to enforce the Face Covering Policy that has been in place since June 29, 2020. "Masks must be worn throughout the fitness center. You may remove your mask while on the equipment during your workout." Fitness members that walk the track or reserve a basketball hoop will now be required to wear a face covering at the Recreation Center.

While at the Recreation Center, **MANDATORY FACE COVERING** includes, but is not limited to:

- All common areas and washrooms
- Basketball courts
- Walking track
- Programs at the Recreation Center
- All Athletic programming including:
  - Basketball
  - Volleyball
  - Soccer
  - Flag football
  - Athletic camps

For the most up-to-date information on COVID related policies and procedures at the Tinley Park-Park District, view our website at [www.tinleyparkdistrict.org](http://www.tinleyparkdistrict.org).
