Moving Forward and Looking Back in 2021!

2021 is bound to bring more changes and challenges but we are ready to meet them with you! The first change we are making is the new name of our monthly newsletter. The Park District offers programs for just about every group! So we encourage you to find the path to your favorite activity or take an untried path to find something new! We continue to offer programs in a variety of formats to meet the needs of all our residents. The Winter-Spring Brochure is available and be sure to check out the Virtual Brochure.

We are also looking back on the past 20 years that the Tony Bettenhausen Recreation Center has been the hub of the District. Watch for flashback photos, contests and giveaways celebrating 20 years of FUN!
